## NOTES:

You are expected to have read and understood our terms & conditions at the time of making the booking online. Kindly be informed that all reservations made are non-changeable, non-refundable, and non-endorsable.

**It is IMPORTANT that you check the below details carefully;**

- The names of all the passengers are identical to what appears on their respective Passports/Travel Documents
- The itinerary details such as Date, Time, Airline & Stopovers are precisely what was agreed upon
- Baggage Allowance: While most Airlines allow a minimum of one piece baggage allowance, some Airlines do not provide any allowance for baggage to selected destinations and this will need to be purchased additionally. Please speak to one of our consultants for any assistance in this regard.

In a regrettable situation where the product confirmed or offered is no longer available, one of our consultants will be prompt to inform you accordingly and provide all suitable alternatives. While incidents such as these are infrequent, this may be caused due to a technical snag or availability of all or some components of your booking being changed by the supplier.

It is your responsibility to ensure you have made all arrangements to obtain the relevant visa/s (if required) to travel to respective destination.

We strongly advise you to re-confirm your reservation 72 hours prior to departure with us to ensure all aspects of your holiday are scheduled to proceed as planned. Flighttojoy will not be held responsible for inconvenience/losses caused due to not reconfirming your reservation.

Thank you once again for booking with Flighttojoy.

We value your custom and wish to assist you with your future travel requirements.

Have a safe and enjoyable journey.
